

First Circle of Friends Newsletter: May 2018

Fruit of the Spirit: Goodness, Verse: “and do not forget to do good and to share with others...” Hebrews 13:16a,
Color: red, white, and blue

This is the last newsletter for the year – can you believe the year has gone so quickly! We have had a fabulous year and are grateful you all are part of our First Circle of Friends family. Blessings to all of you!

1. The **last book order** is due Friday, May 18th. Stock up for summer reading!
2. ZOO TRIP!!! In the calendar, the schedule for our Zoo field trip was listed as 9:30, however, we weren't sure what time we would be assigned. We are meeting at 11:00 at the front gates to **enter as an entire group** at 11:15. All 134 people need to be present for us to enter at once! This is a change from previous trips to the zoo. Please consider taking MAX (parking will be difficult) or carpooling. After entering, students will be divided into class groups to travel around the zoo. Teacher Tammy will assign a point person to be in charge of each group and we ask that you stay together as these groups, since this is a school trip. Bring a snack/late lunch to enjoy, as the entire school will meet on the amphitheater lawn for pictures and such at a designated time.
3. Because of the Zoo field trip, there are no AM 3s or 4s classes on Thursday morning, May 31st. Also, the AM and PM 3s classes do not have class on Friday, June 1st. This was omitted from the master calendar! Sorry!
4. Crazy Day is Thursday, May 10 for the threes and Friday, May 11 for all else. Children often do funny things with their hair, wear “interesting” pattern combinations/colors with clothes, different shoes, inside out clothes, etc. It's awfully silly! This is like a color day, so parents don't come to this day.
5. Red, white, and blue day is Thursday, May 23th for the threes and Friday, May 24th for all else. We have parents sign up for special treats for that day. Thank you in advance.
6. There is no class for Kindergarten on Monday, May 28 to observe Memorial Day.
7. Field Day is coming up! All classes will be together on Friday, June 8 (our last day of school). There will not be class for the Thursday threes class on Thursday, June 7. There is also no afternoon class on June 8th. We do need parent volunteers to run the many stations. We will send out a sign up genius for the different positions and needs. Last year's parent volunteers were stupendous, so we are really looking forward to this year!
8. Summer Camp still has lots of openings. At this time we don't really have enough to run it. If you are interested, the flyers are hanging on the Communication bulletin board.
9. If you have followed the payment schedule, starting in August, you should be finished with tuition payments with this payment for the year. Thank you!
